

**BOYS & GIRLS CLUB**  
OF GREATER WATERBURY

## FUND – A – DAY

**YOU can be part of starting Great Futures** by sponsoring a day at the Boys & Girls Club of Greater Waterbury. Pick a day or many days to support our members and programs on that day. It can be any day that you wish – a birthday, anniversary or any random day (so long as we are open).

**EVERY DAY after school**, over 165 students from Greater Waterbury come to the Boys & Girls Club to do homework, learn about nutrition, play games, participate in computer assisted design programs, be safe, be encouraged and, most importantly, have fun!

We will prominently display your support of the day at the Club and we will share images from the day with you and on our social media channels. You are welcome to visit us on your day – see what your support means.

**Connect with us on social media**
