**Re: *Coronavirus Information***

Dear Boys & Girls Club Families:

This letter is to update you on the Boys & Girls Club of Greater Waterbury's response to the ongoing COVID-19 emergency. As you know, in accordance with the City of Waterbury Public Schools, the Club's after-school program is closed until at least March 31, 2020. While the administrative offices are open for limited hours, all programs are cancelled. The after-school program and all other programs will remain closed so long as the schools are closed.

In the meantime, the building will be cleaned and we will be ready for when members are able to return. Watch for our texts via Remind and posts on our Facebook page for updated information and links for educational and fun activities that can be done at home.

We thank you for your patience and understanding during this very trying time. Stay safe and healthy.

Thank you.

Sincerely,

A blue ink signature of Karen Senich.
