WILL YOU OPEN THE DOOR?

ACADEMIC PROGRAMS

- Keep children safe and out of trouble but also significantly improves academic achievement;
- Aim to bridge the gap between school and home and work to support the lessons received in school;
- Aspire for members to achieve academic proficiency at each grade level and graduate from high school, and develop the ability to make informed decisions about post-secondary education or career.

HEALTHY LIFESTYLE PROGRAMS

- Encourage members to make positive decisions that support and nurture their physical and personal wellbeing develop positive self-identity; develop social, emotional and cultural competencies; and a strong moral compass;
- Promote positive behaviors, responsibility, self-confidence and self-awareness.

OUR MISSION

By providing a wide range of educational and recreational opportunities, a safe environment, and supportive relationships, the Boys & Girls Club of Greater Waterbury helps young people who need it most discover their interests, have a positive outlook for their future, and be confident, successful stewards of their communities.

CHARACTER & LEADERSHIP PROGRAMS

- Encourage young people to support their Club and community, build and sustain relationships with others, develop good character and positive self-image and respect other cultural identities;
- Develop positive self-identity; educational, employment, social, emotional and cultural competencies; a commitment to community and civic involvement; health and well-being; and a strong moral compass; as a result, they will be more apt to become successful adults.

TEEN PROGRAMS

- Assist in developing a plan for the future with programs to help them get there;
- Provide a safe, positive environment with supportive relationships, opportunities and expectations, and, maybe most importantly, they need fun;
- Provide the opportunity to learn and develop new skills and interests during a critical part of the day;
- Provide the exposure and opportunities to open the teens to new possibilities in their lives, finding positive ways to spend their time and allowing them to explore positive futures – school and career;
- Reduce at-risk behaviors including violence, substance use and sexual activity.
